INSTRUCTIONS continued:

1. On the pink quilted piece, measure 4" down from both short ends and draw a line with chalk. Draw three additional lines on one side as guidelines for the decorative stitches spacing them approximately $\frac{1}{2}$ " apart.

2. Following the manufacturer's directions for the Steam-A-Seam2[®] fusible web, fuse one side of the paper-backed fusible web to the wrong side of the floral print pieces.
3. Fuse the floral pieces to the outside of the pink quilted pieces between the first set of chalked lines.
4. Thread the machine with the decorative thread.
5. For the large bag, set the machine up for embroidery mode. Select a font and program in the initials for the monogram.
6. Hoop the stabilizer and one end of the pink quilted piece, centering it for embroidery.
7. Embroider the monogram.
8. Once the embroidery is complete, remove the item from the hoop and remove any excess jump threads or stabilizer.

9. For the small bag, select the sewing letters and program in the following: spaces "Blush", spaces "Lipstick", spaces "Eye Shadow", spaces. Stitch this combination across the center line.
10. Chose a decorative stitch and stitch along the remaining two chalked lines above and below the sewn lettering.
11. Baste along the short sides of the floral piece to secure the piece in place.
12. Layer the pink trim on top if the brown rickrack along the edge of the floral print fabric covering the raw edge. Stitch in place using a straight stitch.

13. Repeat adding the layered trims to the other side.
14. Thread the machine with all-purpose sewing thread.
15. Match the right side of the zipper to the right side of the pink quilted fabric and topstitch one side of the zipper tape in place.
16. Repeat for the other side of the zipper to create a centered zipper.
17. Fold the pieces right side together so the wrong sides are facing out.
18. Open the zipper partially. Stitch along the side seams.
19. To make the bag sit, pull the corners into a point and measure approximately 1" in from the point. Stitch across the point and repeat for the other side.
20. Turn the bag right side out through the zipper.
21. To create a decorative zipper pull, thread a small piece of rose trim through the zipper head and tie a knot to secure it.
